**STAFF REPORT**

**Meeting Date: June 10, 2026**

**TO: ESJGWA Board of Directors**

**SUBJECT: Adoption of the Proposed Fiscal Year 2026-2027 Grant Fund Budget (21452)  
Totaling \$781,948 in Appropriations a (2/3 Vote of Directors Present)**

**Date: May 27, 2026**

---

## **Recommendation**

Staff recommend that the ESJGWA Board of Directors adopt the proposed ESJGWA 2026-2027 SGMA Grant Budget (Fund 21452) totaling \$781,948 in appropriations.

In accordance with the ESJGWA Joint Exercise of Powers Agreement Article 4.7.a., the proposed Budget must be approved by a Supermajority Vote defined as two-thirds (2/3) of the Directors present.

## **Reasons for Recommendation**

In 2022, the ESJGWA applied for and received \$7,600,000 from the Department of Water Resources' (DWR) Sustainable Groundwater Management Implementation Grant (SGMA Grant). ESJGWA filed the SGMA Grant application on behalf of three GSA Member project proponents; San Joaquin County (County), the City of Stockton (Stockton) and North San Joaquin Water Conservation District (NSJWCD). For transparency and accounting purposes, SGMA Grant funds are accounted for and tracked in a separate budget unit.

**Fiscal Impact:** There is no additional cost to the ESJGWA. Grant administration costs are built into each funded project and in the overall management of SGMA Grant funds which are reimbursable by DWR or the project proponent.

## **APPROVAL OF THE EASTERN SAN JOAQUIN GROUNDWATER AUTHORITY FISCAL YEAR 2026-2027 SGMA IMPLEMENTATION GRANT FUND BUDGET**

THIS BOARD OF DIRECTORS HEREBY approves the Eastern San Joaquin Groundwater Authority FY 2026-2027 Grant Fund Budget (2098FD) as follows:

1. Revenue appropriations in the amount of \$755,000
2. Expenditure appropriations in the amount of \$781,948

**TO: ESJGWA Board of Directors**  
**FROM: Julia Berry, Executive Director**  
**SUBJECT: Adoption of Proposed ESJGWA Fiscal Year 2026-2027 Budget and GSA Member Cost Allocation**  
**Date: May 27, 2026**

---

### **Recommendation**

Staff recommend that the ESJGWA Board of Directors adopt the proposed ESJGWA FY 2026-2027 Budget totaling \$3,357,000 in appropriations to be offset by revenues including a carryover of the existing fund balance with no increase to the proposed GSA Member Dues in the amount of \$664,753. Staff further recommend the Board of Directors also adopt the allocation of GSA Member Dues as calculated by the formula currently in use by ESJGWA.

In accordance with the ESJGWA Joint Exercise of Powers Agreement Article 4.7.a., the proposed Budget must be approved by a Supermajority Vote defined as two-thirds (2/3) of the Directors present.

### **Reasons for Recommendation**

The proposed Budget was presented to the ESJGWA Board on April 8, 2026, with direction for each GSA to go back to their respective board or council for feedback with the expectation to return on June 10, 2026, to adopt the proposed Budget. Neither the Executive Committee nor staff have received any comments on the proposed Budget as presented on April 8, 2026.

The total proposed FY 2026-2027 Budget is a balanced budget, totaling \$3,357,000 in appropriations, offset by a projected carryover of \$2,652,878 from the fund balance, \$225,000 contribution from San Joaquin County Water Investigation Zone No. 2, and \$664,753 in GSA Member Contributions.

The proposed Budget for the next fiscal year assumes that staff services provided by San Joaquin County transition to the Executive Director with the exception of *Budget Item 15 - Meetings (Clerk and Records)* and *Budget Item 16 - Budget, Contracting and Accounting*. Article 4.10 of the Joint Powers Authority Agreement designates “the County of San Joaquin to serve as administrator and secretary of, and keeper of records for, the Authority.” Secondly, Article 5.7 reads “The Treasurer of the County of San Joaquin shall (i) be the depositary of the Authority, (ii.) have custody of all funds of the Authority, and (iii) have the duties and obligations of the Treasurer...” In accordance with the Agreement, these duties will continue to be performed in partnership with County staff at the direction of the Executive Director.

The budget also assumes the unrestricted portion of the fund balance totaling \$0 on July 1, 2027, and the restricted portion of the fund balance is expected to total \$400,000 with \$200,000 reserved for the Domestic Well Mitigation Program and \$200,000 reserved for the 2030 GSP/Periodic Evaluation.

The proposed budget is balanced in part by the collection of GSA Member Dues. The proposed GSA Member Dues to be collected in 2026-2027 are not increasing from the prior year. The proposed amount to be allocated among the 16 GSAs is \$664,753. The allocation formula is based on both groundwater pumping and population and has been in use by ESJGWA since 2019.

1. Revenue appropriations in the amount of \$3,542,631
2. Expenditure appropriations in the amount of \$3,357,000

**Meeting Date: June 10, 2026**

**TO: ESJGWA Board of Directors**

**SUBJECT: Approval of an Independent Contractor Agreement for Executive Director Services with First Water Partners, Inc. and assign responsibility for ARPA Grant projects**

**Date: May 27, 2026**

---

### **Recommendation**

It is recommended that the ESJGWA Board of Directors renew an independent contractor agreement for Executive Director services with First Water Partners, Inc. with increased duties for a not-to-exceed \$33,333 monthly fee and allocate \$75,000 of the approximately \$2.1 million in ARPA Grant funds for execution of projects.

In accordance with the ESJGWA Joint Exercise of Powers Agreement Article 4.7.f., the proposed Budget must be approved by a Supermajority Vote defined as two-thirds (2/3) of the Directors present.

### **Reasons for Recommendation**

Prior to hiring the Executive Director (ED) in July 2025, these duties were supported through San Joaquin County staff resources and included in the 2025–2026 Budget. Since the hiring of the ED, staff under the direction of the ED have assumed these responsibilities, eliminating the need for County staff support. The proposed 2026–2027 Budget formally assigns these duties to the ED and includes a corresponding adjustment to the regular independent contractor agreement, with no additional overall cost to the Authority. These duties include:

1. Groundwater Collection/Data Quality Assurance \$15,000
2. Subsidence Surveying \$10,000
3. Domestic Well Mitigation Program \$25,000
4. ARPA Data Management System Implementation \$25,000
5. ARPA Monitoring Network Evaluation \$50,000

- i. Compensation - Independent Contractor Agreement - \$399,996 per year paid monthly retainer (\$33,333 per month). All inclusive, no additional reimbursement for direct costs unless pre-approved by the ESJGWA Board. No compensation beyond \$33,333 per month.  
Compensation - ARPA Grant - \$75,000 paid in total, billed at an hourly rate of \$350 per hour.
- ii. Start Date - July 16, 2026 – Retainer amount is \$16,666.50 for the period of July 16, 2026 through July 31, 2026 to reflect the mid-month start date.
- iii. 30 day notice of termination by either party.
- iv. Requisite insurance coverage in accordance with San Joaquin County standards.
- v. Executive Director Job Description as approved by Executive Committee is an attachment to the Agreement as an exhibit.

Contractor alone shall direct and control the work of the designated Contractor personnel assigned to this engagement.
- (c) The Parties acknowledge and agree that Contractor and the designated Contractor staff have other business engagements and perform services for other Contractor clients, but that performance of Services for the Authority is subject to the Conflict of Interest provisions set forth in Section 10.
- (d) Contractor and Authority agree that the minimum number of hours spent on a weekly basis will be no less than twenty (20) hours per week. Contractor shall maintain separate time records for ARPA Services, which shall be invoiced separately from retainer invoices. No amounts paid under this Section 2(b) shall count against or reduce the monthly retainer cap set forth in Section 2(a). All ARPA Services compensation is subject to the additional terms and conditions set forth in Exhibit "B."
- (c) Contractor will invoice Authority monthly for all Services performed and expenses incurred during the preceding invoice period. Invoices for retainer compensation under Section 2(a) and ARPA Services compensation under Section 2(b) shall be submitted separately and shall identify the applicable exhibit and funding source for each invoice.

Contractor shall make every effort to comply with all of the Authority's policies, standards, guidelines, and procedures in effect, and shall comply with the highest ethical and business practices and procedures in the performance of all activities and Services pursuant to this Agreement. Any acts by Contractor to the contrary may result in immediate termination of this Agreement by the Authority.

The evaluation will focus on whether the Contractor is meeting the defined objectives set forth in Exhibit "A" in the manner described in Section 5(b) above.
